## Vine Boosted As City's Big Asset

McGroarty Tells Hearers This Is Best Known Small Town In The Coast

A group of celebrities gathered at Wistaria Vine Gardens Sunday evening to hear Theodore Payne, John Steven McGroarty, Dr. J. D. Lux of Monrovia, Lee Shippey, Mrs. S. A. Guiberson, State president of California Garden Clubs, Inc., and others to do honor to the Matilija Poppy as Queen of California wild flowers. About one hundred guests sat down in the amplified dining room of the Wistaria pavilion at one of the most brilliant affairs ever held in the Gardens.

Keynote of the evening, however, turned out to be not so much a tribute to the famous Matilija as it was to Sierra Madre's even more famous Wistaria.

Congressman McGroarty, just home from Washington, said that throughout the East—and wherever in fact he had gone—Sierra Madre was the best known small town in our Western world—all on account of the celebrated vine and the publicity it has received within the last year or so because of the brilliant festivals Mrs. Lawless has organized.

Even as a prophet in his own country may be without honor, Mr. McGroarty said, so it seemed to be with the vine and its sponsor. It seemed incredible to him, he continued, that there should be any resident of Sierra Madre who could be otherwise than proud of the vine and grateful to the citizen of Sierra Madre who had been so generous in the vine's preservation. He was warmly applauded by everyone present.

Lee Shippey, who introduced the congressman, had also been applauded when he made some similar allusion to the vine, which he said is manifestly an asset not only to Sierra Madre and its residents but to Southern California generally.

Theodore Payne, the state's largest wildflower seed producer, spoke on the tradition of the Matilija poppy, discussed the origin of its propagation, Mr. Payne stated the flower grows much more freely planted from seed in northern California than in this section of the state. The California Garden Clubs have sponsored the idea of conserving the Matilija Poppy in the Ojai valley, where quantities have been destroyed. One of the peculiarities of the flower is the difficulty with which it is transplanted.

Packages of the poppy seeds were distributed among the guests through the courtesy of Mrs. S. A. Guiberson, State president of the California Garden Clubs, Inc. Miss Marion Smithson, a noted violinist from Beverly Hills, accompanied by Raymond McFeeters, Pasadena, furnished several solos.

## Democrats Set July 19 For Opening Of Local Campaign

Mrs. Grace B. Caukin, president of the Democratic Club of the 48th assembly district, has called a meeting of the club officers to arrange for a big rally and box picnic to be held in the Altadena recreation center July 13, at which the Democrats will open their campaign in the 48th assembly and the 11th congressional districts.

## MAN 92 CELEBRATES BIRTHDAY INDULGING ALL WHIMS ON WEEKEND PARTY IN L. A.

A family friendship that has lasted 70 years was renewed yesterday when M. N. Silberberg of Los Angeles arrived at the unique D. A. Hawk home, 682 Brookside Lane, and took the Hawks away on a weekend party. The occasion was the 92nd birthday of Mr. Hawk and by way of celebrating this happy event Mr. Silberberg carried Mr. and Mrs. Hawk to his Los Angeles home to remain until Sunday.

Seventy years ago Mr. Silberberg's father and Mr. Hawk were business associates in a jewelry store in Rochester, Ind. Through the years young Mr. Silberberg has kept in close touch with his father's old friend.

The Hawks are treated like visiting royalty in the Los Angeles home. Following the finest birthday dinner imaginable they were taken to visit their old friends and go any place they wished, do anything they desired, in fact, spent just the sort of a day mothers and fathers deserve, but so seldom experience.

Today the Hawks are guests, together with six relatives of the Silberbergs from New York, at another dinner party.

Last week a pre-birthday party was held for the gentleman who can tell so many interesting stories about the affairs of the country back in Lincoln's time.

## Record Crowd At Chess Carnival

Forty-Three Cities Represented By Contestants Who Play Till Midnight

Approaching midnight failed to daunt the array of chess players who took advantage of the annual Morphy Day carnival held Saturday at the City Park to try their skill.

The carnival brought a near-record crowd of visiting players who registered from 43 communities within a radius of about sixty miles, except for Santa Maria which now becomes the most distant city from which players have come especially for this meeting.

The first event to begin was the afternoon simultaneous played by Dr. M. Scholtz, a former champion of Los Angeles, who played 21 games, winning 17, losing two to O. T. Cosand of Alhambra and Hugh R. Seckler of Lomita and drew two with Jesse A. Rood of Los Angeles and R. Roslin of San Pedro. J. H. Cooke, formerly of Sierra Madre, was among players in this event.

Irving Spero, a former champion of Ohio, played an overflow simultaneous of 15 boards of which he won 11, lost 2 and drew 2. LeRoy Johnson, secretary of the Southern California Chess League, played another overflow of nine boards of which he won 5 and lost 3.

Mrs. William Edwards was the only Sierra Madre entry in the ladies' tourney, which was won by Mrs. S. D. Houghton of Pasadena.

Two little boys, Leon King and Karl Fogerlund, both of Los Angeles, played a three-game match, with seven-year-old Karl the winner.

Herman Steiner, chess editor of the Los Angeles Times, won the rapid transit elimination tourney and with it the Broughton Trophy. Second in line was H. E. Skinner of Baltimore, Md. He narrowly escaped defeat in the first round by William Edwards of Sierra Madre, when he drew his game.

R. W. Banner, former European champion, conducted the evening simultaneous of 37 boards. He finished with a highly creditable score in the record time of three hours and 52 minutes.

W. T. Pinney, of Los Angeles, acted as master of ceremonies. The local committee consisted of Lindsay Heath, chairman; William Edwards, A. V. Taylor and James N. Hawks. Mrs. Hawks had charge of the registrations.

## City Contributes Over \$150 To War Victims In China

Sierra Madre, with the help of some of its generous neighbors, made a record in its contribution toward relief of Chinese civilians at the recent Bowl of Rice party in the Woman's Club.

Altogether the sum realized will be well over \$150, far beyond the sum expected and also far beyond the quota attributed to towns of this size. The contribution may make a record for the country as a whole. Arcadia's party netted only \$80.

There were two sources of revenue for the total sum. One of these was the dinner and entertainment. This realized \$85.85. The other source was the free offering contributed to the boxes put in various public places by the committee. The boxes contributed the surprising sum of \$80.78.

## At the home of his daughter, Mrs. Mark Clark, Pasadena, Carol and Janice Strock, granddaughters, made the lovely birthday cake and waited on the table, even remembering the cushion for grandfather's chair.

Each year busy Mr. Hawk adds to his long list of accomplishments. His latest achievement is picture carving and painting on wood. The steady hand required to carve the design—in one instance a picture drawn from memory of the house in Logansport, Ind., where one of his daughters was born—is not often found in a young man. In Mr. Hawk's case, 92 years of living seem to have added firmness and strength to the hands which worked with watches for such a long time.

The story of the match, another of Mr. Hawk's masterpieces, is a book vivid with colored drawings, illustrating the verses which carry the history of the match from earliest times to the present.

A drawing in India ink of the Will Rogers' Shrine of the Sun was also made during the past year. "Letters from Nature," a bound collection of nature sketches done by Mr. Hawk, and a Baby book, are favorites with the Hawk family.

## Citizens Show Interest In Primaries

Sierra Madreans are beginning to take an interest in the approaching primary election. There were many inquiries by local citizens at the city hall this week to ascertain whether or not their names were on the registration lists and whether it would be necessary for them to re-register in order to vote at the August primary election. Several who had moved since the last election were re-registered. Several others changed their party affiliation.

July 21 is the last day for registration before the August primary. Any citizen who has moved since the last election, who failed to vote at the last general election, or who has or will become of age before the primary election, must be registered in order to vote at the primary election.

## Importance Of Election Stressed

Plea Made For Alliance Of Forces To Uphold Constitutional Government

A group of Sierra Madreans attended a largely attended dinner meeting at Altadena Golf club-house Tuesday evening and heard two Republican candidates in this district declare that unless the American people, regardless of party, wage an immediate battle for return to fundamentals on which the country was founded, democracy will fade out as it has in nations overseas.

Carl Hinshaw, candidate for the Republican congressional nomination; T. Fenton Knight, candidate for the assembly, and George A. Newell, Jr., president of the California State Republican Assembly, spoke.

Necessity of increased Republican registrations was the keynote of Mr. Hinshaw's address. He said that other party voters should be won over with the aim of uniting all who would preserve democratic fundamentals into one forceful body.

Warning that the 1938 elections were more important than would be those of 1940, Mr. Newell said, "Unless we can get many new seats in both House and Senate, we are licked." In order to form a body which might have power to attract other voters, he pointed out the need of immediate joining of the Republican assembly by all in favor of its principles.

"No platform but a set of principles," was Mr. Knight's slogan. "I make no promise because I have seen too many that were failures," he said.

His principles include curtailing spending where there was no income to take care of it. He said he saw no reason why anyone should go hungry in a land of plenty and could not believe that "all who toil with their hands are radicals, and all business men are crooks."

Dr. Walter Scott Franklin, candidate for the GOP nomination for Lieutenant Governor, outlined his platform and told what he proposed to do if elected.

W. B. Norton, president of the 48th District Republican Assembly, presided. Sierra Madreans present included Frank Spencer, C. J. Pegler, Arthur Johnson, Jr., Sam Graham, Mrs. C. A. Allen, Mrs. Jessica H. Wright, Lester K. Layton.

## Community Scout Committee Called To Meet July 7

A meeting of the community committee of the Boy Scouts will be held July 7 at 7:30 p. m., at the City Hall. All chairmen of the various community committees are expected to be present and give their quarterly reports.

## Arts Guild To Hold First Meeting This Evening

The Sierra Madre Arts Guild will hold its first regular monthly meeting at A. J. Dewey's studio on East Montecito avenue this evening.

There will be an informal musical program under the supervision of Mrs. W. T. Clement, and an exhibition of the photographs of Mr. Richard McGraw, which was opened last Sunday. Refreshments will be served. All prospective members are urged to attend. All who join by today will be charter members.

At its last meeting, the Guild adopted a constitution as drawn up by Harold F. Roberts, Elmer M. Weese, and Leslie B. Wynne, and perfected its organization by the election of officers.

## Fourth Crowd Going To New Park

With Firecrackers Taboo Here, Populace To Join In Big Arcadia Blowout

Evidently about half the population of Sierra Madre will spend a glorious Fourth helping other San Gabriel valley towns dedicate the new \$1,500,000 recreation park in Arcadia Monday. Besides the formal dedicatory exercises, a rip-roaring, old-fashioned Fourth celebration has been arranged.

## All Stores To Close Here On Monday

When you do the family marketing tomorrow keep in mind the fact that Monday is Independence Day, and that all the stores in Sierra Madre will be closed along with the postoffice, city hall and the bank. There will be no mail delivery, of course, but box holders will be able to get their mail arriving Monday morning.

Arranged by the Arcadia Chamber of Commerce with the assistance of the Chambers of Sierra Madre and many other San Gabriel valley communities.

All chipped in to a jackpot for the purchase of several hundred prizes to be awarded in a day-long program of athletic events and contests of just about every kind. Three prizes will be awarded for each event. In addition there will be ball games, tennis games, swimming contests, trick riding contests, parachute jumps and what-not, to say nothing of such contests as fat men's and women's races, three-legged races, etc. Two bands and a chorus to lead community singing will furnish the music. One hundred thirty acres of green-sward will be available for picnicking taking their lunches.

With a heavy penalty provided for anyone using fireworks or firecrackers in Sierra Madre, young Sierra Madreans are looking eagerly forward to the Arcadia blowout because firecrackers will be permitted there.

Sierra Madre will have a very quiet Fourth, at least a very sane one—the police department hopes. The 20 volunteer firemen and a dozen other citizens will be deputized as special officers to be on the lookout for violators of the ordinance prohibiting fireworks or fireworks here. They will be augmented by members of the county and government forest service because of the danger to the forest from fires in Sierra Madre.

The entire fire department has agreed to remain in the city throughout the day and evening in case of emergency. The firemen will enjoy a picnic in the garden of Fire Chief Richards' home with a detail always on hand at the fire station.

## Legion Commander To Dedicate New Memorial Park

Joseph Long of Riverside, state Legion commander, will be present at Charlton Flats, July 10, for the dedication ceremonies of the Legion's new memorial park.

Camping and picnicking facilities are in excellent shape, and the event will be in the form of an all-day picnic. The plan is to have a noon lunch at Charlton Flats, where the forest service has sanitary facilities a water supply, picnic tables and stoves to accommodate the crowd expected. Those who plan to attend will meet where Angeles Crest highway meets Foothill Blvd. in La Canada at 9 o'clock in the morning.

William V. Mendenhall, supervisor of the Angeles National Forest, and forest service officials of the region, will participate in the dedication of the grove situated on Doe Flats, adjoining Charlton Flats.

Governor Frank Merriam has been invited to the dedication. The public, as well as Legionnaires and their families, is invited.

## Camper Dies In His Sleep At Fern Lodge

Eight enrollees at the Monrovia Canyon CCC camp hiked four miles into big Santa Anita Canyon Sunday to carry out the body of George Sundling, 50, of Long Beach, who apparently died of a heart attack in his sleep in his cabin at Ben Hosford's Fern Lodge camp. Mr. Sundling had been a cabin tenant for four months. He was a native of Boston. During the World War he enlisted with the Canadian army. Funeral arrangements were in charge of a Los Angeles chapel. He is survived by his mother, residing in Long Beach, and three sisters, one of Oakland, Calif.

## Glendora's Valley League Team Here For Game Tonight

The second ball game of the San Gabriel Valley League at Sierra Madre will be played on the school diamond this (Friday) evening. Glendora's entry in the new league will make its initial appearance of the year and a large crowd is expected.

## Bewildering String Of Candidates

It's Going To Take Time To Mark Your Ballots At August Primary Election

Voters of the 48th assembly and 11th congressional districts won't be able to mark their ballots in a hurry at the August primary election. Saturday, last day for the filing of petitions of candidates for public offices, witnessed an unprecedented rush at the office of the county registrar of voters, leaving in their wake a bewildering list of names to appear on the ballot.

The last lingering doubt as to whether or not John Steven McGroarty would be a candidate for re-election to Congress was removed when the lists closed without him. He filed instead as a candidate for secretary of state. Six Democrats want to succeed him. They are Dwight W. Stephenson, Glendale; Matthew L. Douglas, North Hollywood; Carl Stuart Hamblin, North Hollywood; J. P. Patterson, North Hollywood; Thomas D. Watson, Glendale; John R. Grey, Glendale.

There are three candidates for the Republican nomination in Carl Hinshaw, Pasadena; Thomas D. Watson and John R. Grey, Glendale. Hinshaw and Grey also filed on the Progressive ticket. Orla E. Lair, of Pacoima, filed as a Communist and Ralph D. Horton will be unopposed for the Townsend party nomination.

There are five candidates for the Democratic assembly nomination in the 48th assembly district, Thomas A. Reynolds of W. Alhambra, this city, and Leslie H. Preston of East Pasadena being the Democrats.

The five Republican candidates are T. Fenton Knight, La Canada; Jesse R. Swan, Altadena; George Lester, Jr., Montrose; Frank Foster Davis, Altadena.

A surprise move in the gubernatorial situation was the filing by Culbert L. Olson, a candidate also for the Democratic nomination, for the Progressive nomination. It was believed Raymond L. Haight would have a clear field and Olson's unexpected entry as a contender is taken to mean that he has some assurance of support from the LaFollette, of Wisconsin, founders of new third party movement.

Equally surprising was failure of Haight to file as a candidate for the Commonwealth party nomination. He founded and was the gubernatorial candidate of the party four years ago.

Robert Noble, leader of the \$25 every Monday pension movement, dashed in and filed for this nomination which may attract 50,000 or more votes away from the older parties and have a confusing effect in the event of close contests.

## Three Seek Justice Job In Enlarged Monrovia Twp.

Sierra Madreans will decide between three candidates for justice of the peace of the new Monrovia township, of which this city is now a part, at the August primary election. Petitions as candidates were filed by John A. H. Sturgeon, incumbent, of Monrovia; Cecil L. Lacy and Alexander L. Oster, both of Arcadia.

A letter signed by four former presidents of the California Bar Ass'n—T. C. Ridgway, Guy R. Crump and Norman A. Bailie—testifying to Mr. Lacy's integrity and ability and vouching for his fitness to fill the office he seeks, was issued yesterday.

## Reception Here For Carl Hinshaw This Evening

Carl Hinshaw, candidate for the Republican nomination for Congress in the 11th district, will be in Sierra Madre this evening in response to an invitation from a group of local friends and supporters. A reception in his honor will be held in the lobby of the Sierra Madre Hotel from 7:30 until 9 o'clock, and all citizens of the community are invited to meet him. Mr. Hinshaw, well-known Pasadena businessman and a leading member of the Pasadena Chamber of Commerce, was the Republican nominee two years ago, being defeated by a small majority by Congressman John Steven McGroarty.

## Amend Zone Plan To Extend Business Area Beyond Lima St. Deadline

Planning Commission Divides 4 To 3 With Two Absent As It Abandons Proposal To Restrict Property Beyond Hermosa To Residential Purposes—Protests Are Filed From Other Districts

Amended to meet objections of property owners who filed protests against fixing Hermosa avenue as the western terminus of the city's business district, the city planning commission will send its master or land use plan for the zoning of Sierra Madre back to city council for adoption at its meeting to be held on July 12.

By a vote of 4 to 3, with President Robert Wright and Dr. John L. Woehler absent, the planners, following a hearing on the master plan Monday night voted to restore the block between Hermosa and Lima street to the business zone. It went further and included two lots on the northwest and two on the southwest corners of Lima street and Sierra Madre Boulevard in the business zone.

Though letters had been sent out to owners of all the frontage in the controversial block asking for an expression of opinion on the proposal to restrict the business area, not a single owner appeared in person or by letter to approve the original proposal. The opposition was strengthened by a petition signed by 55 members of the Sierra Madre Woman's club protesting against its property being placed in a residential rather than a business zone.

Mrs. Al S. Myers, president of the club, presented the petition announcing that it had been circulated following action by the club's board of directors and adoption by club members of a resolution protesting the proposed rezoning. Mrs. Myers said she had no personal interest in the matter but that many members of the club felt the change in classification of the area would depreciate the value of the club's property in which they have a financial interest. There had been business in the block between Hermosa and Lima street since 1888, she said, and many members of the club were unable to see any reason for a change at this time.

## Neighborly Community Sought

Business Folk Plan Fall Events To Bring Closer Relations Among Citizens

A homecoming celebration in Sierra Madre at about the time summer vacationists get back and the schools are ready to open, some sort of outstanding community event at about the time of the holiday season and other plans to promote a broader community spirit were discussed at a dinner meeting of the city's business and professional folks in the Woman's clubhouse last Thursday evening.

Showing a disposition to practice what they preached at the meeting, the participants decided to hold such affairs monthly and to work out details of their ideas as to how best to increase the feeling of neighborliness.

The idea of a homecoming celebration met with general favor and at the next dinner meeting it is planned to draw up a general scheme for several days or a week of events. There were various ideas about the midwinter event, some suggesting it be held before the holidays and others that it be timed to hail the New Year and departure of the city's float for the Rose Tournament.

William Burr expressed the sentiment of a large number when he said the few flags flown in the city on Flag Day was deplorable. He stressed the importance of correctly flying Old Glory on patriotic holidays.

Representing the committee appointed to investigate the necessity of a new postoffice building, Harold Roberts stated the group will attempt to learn the views of various local organizations. Sierra Madre is on a list of cities recommended for a \$75,000 building. Postmaster R. O. Caukin said postal receipts have increased 45 per cent in 10 years.

Consideration of a theme for Sierra Madre's entry in the Rose Tournament next New Year's and

## DREAM OF A LIFETIME IS BECOMING A REALITY ON A SIERRA MADRE MOUNTAINSIDE

A man's lifelong dream of itself will be lacquered red, and building a Chinese house with the windows will open out on the rounded by mirroring lotus ponds and the gardens.

There is to be no bedroom in this Chinese house, only a kind of tiny alcove paneled off the living room, with no more room than occupied by the bed and a chair. Inasmuch as Chinese have as few pieces of furniture as possible, and those are austere plain, Hartwell is making a concession to custom and will furnish the living room with modern desk, couch and easy chairs. But the old will mingle with the new—for a built-in shrine, complete with altar cloth, pewter candlesticks and incense holders, is to occupy an important place in the same room.

The kitchen also will be modern in design and coloring, with white and blue tile and plum blossom stenciling. Out-of-doors, the house extends out over the lily pool, on still-like foundation props, and the exterior will be graced with blue-gray tile—in China such a color combination denoting the owner as being a member of the middle class. Only the rich aristocracy use gaily colored tiles.

Landscape plans include iris gardens, winding paths lined with rock work, and of course the mirroring ponds, which will reflect the porches reaching out over them.

Hartwell intends devoting his time here to study and promotion of the Chinese theatre and its old traditions when his home is completed and he comes to Sierra Madre to live. Plans for his home on file in the office of William Lees, city building inspector, are most interesting. Mr. Hartwell, who has spent most of his life in California and several years in China, is living now on Grove Terrace, in Pasadena.

Enclosed by these sliding panelings, the living room of the home is to be designed according to authentic decorations of the T'ang dynasty, of the seventh century. Landscape scenes in warm blues and grays, painted by Hartwell himself, appear on the panels here. The ceiling will be dull gold, and the floors Chinese blue—although the regulation floor covering consists of grass matting, cut and sewed to fit the room.

Durable, and permitting of more light entering the room than rice paper, tissue paper and white silk is to be used for the latticed windows. The lattice

Billy Dyche, son of Mr. and Mrs. Pete Dyche of the Sierra Madre Drug Company, will spend the next week with friends in Santa Ana.

## Ladies Night Party Of Kiwanis Club Is Real Event

The Kiwanis Club ladies' night held at the Waverly Pratt home at 359 North Grove street, Monday evening was a gala affair. Forty people gathered to participate in the Kiwanis fellowship hour which was celebrated by Kiwanis clubs all over the United States and Canada.

A committee composed of Frank Spencer, Waverly Pratt and Clarence Huntsinger prepared the tables for the buffet dinner and William Burr fried the steaks. Harry Lange, vice-president, presided over the meeting in the absence of the president who is attending the Kiwanis convention at San Francisco.

After dinner the group listened to the Kiwanis fellowship program over the air. Rev. A. O. Pritchard presented the charge to the Kiwanians in the form of a short talk on the ideals of the club and what it means in each community.

Following this 15 minute program, the evening was spent in entertainment of various kinds. The gardens of the Pratt home were turned over to the guests who played badminton, ping pong, croquet and pitched horseshoes. Other guests danced, and those not as energetic, played bridge.

## Old Man Time Slips Up On Harkness; Quits Baseball

Miner Harkness who played third base for the Sierra Madre Legion team for several years and later for the Sierra Madre Merchants, and who was the leading Sierra Madre batsman while he played baseball, is through with the game. Playing with the Sierra Madre Merchants last Thursday night in a practice game with a Pasadena team, he tripped over first base and fractured his collar bone when he fell. It was the third time he had fractured a collar bone.

"Old Father Time seem to have caught up with me," said Harkness when the doctor had dressed his injuries, "and from now on I guess I will play my ball in the grandstand."

Local fans will be sorry to hear of his decision for he has been a great favorite as well as a mainstay of local teams.

### INTRODUCE A NOVEL IDEA AT PADUA HILLS

An original idea is presented in the production of "Les Puertas," new Mexican play that opened at the little theater in Padua Hills last night and will continue through to August 27. The Three Doors, which is the translation of "Les Puertas," is not a play, but a presentation of three distinct sections of Mexican folk life.

At each performance the audience will be asked to decide which group it desires to see as the first scene of the play's entertainment. The second scene, given out of doors, will be an Jamaica, or street festival, in which the audience will join with the players, in songs and dances under the graceful old olive trees.

### Junior Women Plan "Cord And Cotton" Dance July 23

The last Junior Woman's Club meeting for the season was held in the clubrooms June 23. The philanthropy chairman, Elizabeth Pridham, reported on the project undertaken by the group, to send one girl scout to the summer camp at Big Bear, paying her expenses for a week.

Adele Doty, chairman, told of plans for the "Cord and Cotton" dance to be held July 23 at the Woman's clubhouse. Ole Jackson and his orchestra, a negro group, will provide the music, in keeping with the theme of the dance. The hours will be from 9 p.m. to 1 a.m. Tickets were distributed at the meeting.

Helen Nomura sang a group of songs on the program which followed. Two of the Juniors, Mrs. Mildred Seifert and Mrs. Madeline Smith entertained. Refreshments were served by Mrs. Myrna Cant, Evelyn Solary and Adele Doty. Mrs. J. H. Robertson was a guest at the meeting. Mrs. Seifert is in charge of plans for a social gathering to be held August 25.

#### The Man With the Hoe

Spring lawn rebuilding will be easier if you provide a dressing of plant food. Apply it with a spreader or by hand on areas which are to be reseeded; 4 pounds for 100 square feet is usually sufficient, although a smaller quantity may be advisable where the grass is fairly well established.  
Wet down plant food immediately, and sow seed the next day, rolling it into the soil to assure a smooth surface. Do not sow or roll lawns when ground is soft enough to show deep heel prints.

## Noted Woman Is Called By Death

Last Wish Of Mrs. May Stanley Mason Respected Following Her Funeral

May Stanley Mason, 48, of 91 East Laurel avenue, prominent clubwoman, civic leader and writer, died early Monday morning at St. Luke's hospital. In accordance with her last wish she was buried in Azusa cemetery Wednesday near the graves of Keith and Paul Thompson, young sons of Mr. and Mrs. Barclay Thompson, killed in a train wreck last fall. She was a life-long friend of the Thompsons and the tragic death of the boys, of whom she was very fond, touched her deeply.

Mrs. Mason, wife of Elmer B. Mason, former editor of Vanity Fair, was born in the state of Washington and began her newspaper career in Duluth. After working on New York papers she became music critic and writer for "Musical America." Her novel, "Blue Meadow," which appeared serially in Pictorial Review, short stories and poems won for her a place in the literary world.

She came to California with her husband five years ago and to this city three years ago. She was an active participant in civic and club life and recently served as chairman of the literary section of the Sierra Madre Woman's club.

In 1927 she won distinction when Frederick O'Brien, author of the short story, included one of her stories in his nominations for one of the best of that year. She was also listed in Isabel Ross' "Ladies of the Press" for her outstanding achievements as a newspaper woman.

Mrs. Mason's sensitive interpretation of New England fisherfolk, among whom she resided for long periods, won great acclaim, and was the subject of many of her short stories.

She had not been in good health for more than a year. Two months ago she was obliged to give up all her activities and three weeks ago was removed to the hospital.

The writer is survived by her husband and a nephew in Winnipeg, Canada. Canon E. B. Smith of Monrovia officiated at the funeral services held at White's Funeral Home, Azusa.

### YOUR HOME AND MINE

Neighborhood gatherings when three or four friends drop in to spend the afternoon sewing, knitting or mending are even more enjoyable when the hostess serves a cool drink and a snack. Keep some of this Butterscotch Pecan Roll dough in the refrigerator ready for such a gathering:

Butterscotch Pecan Rolls—Mix 2 cups boiling water with ½ cup sugar, 1 tablespoon salt and ¼ cup shortening. Cool to lukewarm. Dissolve 2 cakes yeast and 1 teaspoon sugar in ¼ cup lukewarm water. Combine mixtures, add 2 eggs and 4 cups of flour and beat thoroughly. Add 4 cups more flour. Do not knead. Cover and put in the refrigerator. When ready to bake, roll dough ¼ inch thick, spread with softened butter and brown sugar and roll up. Cut in ¼ inch pieces. Melt ¼ cup butter in a baking pan and cover with ¼ cup sugar and ½ cup pecan meats. Brush sides of rolls with melted butter and place close together in the pan. Let rise about an hour, or until doubled in size. Bake in a 400 degree oven 25 to 30 minutes.

## NEW RED CROSS CHAIRMAN

NORMAN H. DAVIS Blank & Stoller Photo

NORMAN H. DAVIS, newly appointed chairman of the American Red Cross, has assumed active direction of the nation-wide organization with headquarters in Washington, D. C.

Mr. Davis, named chairman by President Franklin D. Roosevelt, following the death of Admiral Cary T. Grayson, has been active for twenty years as a Special Ambassador of the United States to international conferences, dealing with world peace, finances, and disarmament.

He has represented the United States in this official capacity by appointment of Presidents Wilson, Hoover and Roosevelt.

A native of Tennessee, he engaged in banking in Cuba as a young man, and first came into active public service during the World War. He formerly made his home in New York, but since assuming his new post with the Red Cross has bought an historic residence in Alexandria, Virginia, across the Potomac from the nation's capital.

## Sierra Madrean Walks Streets Trod By Pilgrim Fathers; Meets Former Residents; Thrills Teachers

Mrs. Eva Moore of 71 Victoria Lane returned from her thrilling transcontinental trip in time to be luncheon hostess again this year to the faculty of the Sierra Madre school.

Mrs. Moore's trip was replete with interest, and kept the ball of conversation rolling furiously. She spent the first two months in Cincinnati with her sister, Mrs. Ella D. Moxey, going from that point to noted shrines. Among them was the "Eliza" house, a side trip to West Point, in which she beheld with her own eyes the small hole through which the slaves had crawled in their escape from Kentucky. Ohio has purchased this ten-acre estate as a memorial. She told of the underground railway, and of seeing the birthplace of General U. S. Grant, of the bluegrass farms of Kentucky, of going to Syracuse and being the guest of Miss Mabel Rhoades, a cousin of William Laurel Rhoades of Sierra Madre; a side trip to West Point with Mrs. Ellen Barker Fagan (former school nurse here) and her husband, and of Mrs. Ellen sending greetings back to Sierra Madre.

She told in detail of the region studied by her former pupils—New England. From the home of her niece in Woodbury, Conn., she went to Provincetown on the tip of Cape Cod, and then on to Plymouth, where she experienced a feeling of awe in walking down the same street the Pilgrim fathers trod, and in drinking from the same spring from which they

drank. She was a guest at the memory-filled "Plymouth Rock Hotel," one-half of which was built in 1734.

Another interesting fact she related to her listeners was the capture and trial of the man who painted Plymouth Rock red just two weeks before she reached Plymouth.

Washington, D. C., Mt. Vernon, the Lincoln Memorial, and all of the big spots in the capital city were visited, including the White House, and the Senate and the House in session.

Among those who enjoyed the foregoing and the daintily-prepared luncheon were Miss Elizabeth Steinberger and 13 teachers, all of whom discussed their summer plans.

Muriel Tarr, Jane McElwain, Angie PerLee, Mary Frances Brain and Mary Schwartz were San Diego visitors on Sunday.

Sierra Madre had at least one representative in the Yankee stadium when Joe Louis slammed Max Schmeling into oblivion. John P. Schaefer of East Alegria avenue, who has been vacationing at his old home in New York, spent ten days before the battle at Schmeling's training camp at Speculator, New York. "All the speculators in Speculator are speculating on the result of the fight," Schaefer postcarded local friends before the fight. He was

### CIVIL WAR VETERAN GOES TO REST HOME

McGraw of N. Hermosa avenue. The exhibit will continue for a week. The pictures have just returned from exhibitions throughout the East.

### What A Girl Sees Ramblin' 'Round

JUNE's foggy weather, which so many people have emphatically assured us is most unusual, is quite a regular climatic event, Miss Edith Rankin declares. It's because we forget so readily what happens from year to year that the ordinary takes on such a novel aspect. Can you, without taxing your brain too heavily, remember what you did over the Fourth last year? It took us a good five minutes and even now we darkly suspect we are recollecting Labor Day.

We had occasion to visit the Norman Chandler home recently . . . an attractive, low rambling ranch-house with a curving sweep of driveway leading up to it from Orange Grove avenue . . . that lies across a lawn thickly strewn with wild-flowers . . . At the right of the driveway as you enter are kennels with several cute cocker spaniels and a yippy little dachshund importantly trying to announce you . . . Mrs. Chandler is attractive and young with a nice smile . . . Speaking of homes and gardens brings to mind that one Sierra Madre garden sports a stuffed armadillo . . . We thought we were seeing things when we saw him standing so silently in the garden which is further enhanced by tiny houses and things scattered about . . .

From the John O'London Club to a horned toad derby is a long way but we traveled it . . . in one day . . . Arcadians threw a horned toad derby and tortoise race at Santa Anita clubhouse . . . and never did we know that sleepy, ugly (but fascinating) horned toads could move so quickly . . . and a photo-finish should have been made for the toads streaked through the numbered gates so fast no eye could follow . . . We held a horned-toad in our hand and scratched his ears—or the equivalent . . . and he shut his eyes so confidently and opened his queer little mouth . . . that we fell in love with him . . . and tried to sneak him into our pocket . . . when the hard-hearted master of ceremonies . . . took him away and threw him heartlessly in a big box with about a hundred others . . . such meanness! We tried to buy him . . . but nothing doing . . . they wouldn't sell him. However, it's for the best as we had a difficult time with our mother the last time we brought home a pet . . . a cute little kitten . . . and imagine her horrors at having a horned toad around the house . . .

A tiny two-year-old cherub with dusky skin and black pig-tails tied with frivolous red ribbons, clinging tightly to her mother's hand, passed our window. The world must be an utterly grand place to two-year-olds to bring such an expression of pleasure to shining brown eyes . . . There is something about the window of a used furniture shop that appeals to us. Take the O. E. Pettit store for example. From whose cupboard did the broken set of blue and white china come? Why was it sold? Then there are the ornately carved chairs of another century guarding a mirror that could probably tell many a fantastic tale if it were to speak. New furniture is like a book with uncut pages—all there ready to be made use of. Old furniture is like a copy of Alice in Wonderland in a book loving home. Every sticky page, dog-eared and soiled, tells a story.

### Circus And Fireworks in Rose Bowl

Animals, always popular with show goers, will be a big feature in the circus program on the Pasadena Rose Bowl Fourth of July circus and fireworks show. These trained beasts range from Curley, trained seal who recently

was given two pictorial pages in Life because of his marvelous work in recent motion pictures, to large elephants.

The four-ring circus starts promptly at 8 p.m. Every act is a professional circus feature for the Pasadena Firemen, who have staged the circus for the past 13 years, have never used anything else but the artists from the big tops.

The aerial acts are swung from the tallest poles used in the business because of the fact that the Rose Bowl is so large it is easier to see them that way. The great banks of lights used to make night football possible are used as part of the illumination effects.

The fireworks show follows the circus, starting about 9:15 p.m. It contains 60 numbers this year, a dozen more than in the record program of last year which was seen by 55,000 persons. There will be seats for 60,000 this year and the low prices will remain the same as they have been in the previous 13 years. This is the only charge.

### STATUS OF MONROVIA CCC CAMP IN DOUBT

The Monrovia Canyon CCC camp has received orders to disband July 5. It was indicated, however, that the camp might be ordered continued with new enrollees. The present group of 200 from Texas and Oklahoma will be transferred to Dallas, Tex., to await further orders.

### FIRE FLAMES

By One of the Boys

LOUD back-firing of the big fire truck could be heard all over the city during our fire drill Friday. When "Shorty" Steinberger tried to eliminate the noise by experimenting with the switches, he accidentally (?) threw the siren into action, causing more noise. "Shorty" denied stoutly any evil intention, but all who were unfortunate enough to be riding on the front end of the truck had to pay fines. It is against the rules to sound the siren when not going to a fire.

At our meeting later many preparations were made for the firemen's picnic to be held at the home of Chief Richards on the Fourth. Many visitors who were present took quite an interest in this picnic and paid fines that were placed in the "cuss can." Expenses of the picnic will be paid out of the accumulation of fines for saying things that are considered improper during the regular meetings. All firemen will be in Sierra Madre over the "Fourth" and without a doubt, many will be found among the roses and shrubs of the Chief's garden. There is a nice big shade tree there that covers a large space which will be made good use of by Louie Karger and his contributing friends.

### Added Attraction At Legion's Big "Fourth" Show

"Community Singing" for the spectators will be an added attraction at the American Legion's annual big Fireworks Pageant in Memorial Coliseum this year.

Hugo Kirchhofer, noted choral director, will conduct the singing which will start at 7 o'clock and close at 7:45 as the big opening parade comes on. Legion-sponsored youth groups—Boy Scouts, Sea Scouts, Sons of Legion and Junior baseball teams—will be featured in this opening spectacle, together with all drill teams of the Auxiliary and the championship San Gabriel drum and bugle corps.

Four rings will be utilized for the circus. The fireworks display this year will present in vivid, colorful fire such thrilling scenes as the Battle of Manila, Yosemite Fire Falls, Niagara Falls, the Liberty Bell and many other scenes and characters.

### JUNIOR CLUB WOMEN SEE INSTALLATION

Misses Angie PerLee, Mary Frances Brain, Mrs. Mary Schwartz, Mrs. Myrna Cant and Mrs. J. H. Robertson attended the Junior Presidents' Alumni installation meeting in Los Angeles Monday night. Mrs. Schwartz and Mrs. Cant were guests of this organization, composed of past and present presidents of the Woman's Club Juniors.

Mrs. Homer Sherwood of Monterey Park installed the new officers, after which a drawing was held. Miss Brain found herself the owner of a mirror. Mrs. Robertson was presented with a gift in appreciation of her services as advisor and organizer of the club.

Mr. and Mrs. Edwin Ward, Jr., have as their house guest Mrs. Ward's cousin, Cadet Robert Huntington Proctor who was formerly stationed in Hawaii and is now stationed at San Diego.

**Six Out Of Ten  
Picked Fight  
Winner Here**

Picking the winner of a prize fight—boxing contest, if you insist—at a distance of 3,000 miles from ringside or the training camp of the principals, is little more than a guess, and Sierra Madreans are pretty good guessers, a news reporter learned last week.

Twenty minutes before Joe Louis and Max Schmeling climbed into the ring at the Yankee stadium at New York, a reporter dashed around to interview as many well-known Sierra Madreans as possible before the gong sounded—not to find out who they were betting on, but who

they would lay their money on if they were betting.

Six liked Louis best; 4 picked Schmeling; one hedged.

The writer is not so sure that the judgment of some of the six was not largely influenced by prejudice against Hitler and his methods, and the form of government he has inaugurated in Germany.

Colonel H. B. Hersey left no doubt of this. He wanted to see Louis win, he frankly admitted, because he didn't want Hitler to annex the world's boxing championship nor to see Mr. Schmeling lug off almost half a million dollars to be added to the Hitler assets. Several others who "liked" Louis did not so frankly admit the basis of their belief and desire, but it was unmistakably there.

"If I were betting, my money would go on Louis," said Mayor Schlitz.

"I like Louis all the way," said Frank Lovell.

"Nothing to it but Louis," said P. R. Penn.

"Schmeling hasn't a chance with Louis," said Thorne Mathis of the Shell Service Station.

"Schmeling won't last three rounds with Louis," said Leo Mandel of Happy's Liquor Store.

"I pick Louis to win," said Harold Roberts.

Emile Smith, R. R. Hartman, J. Milton Steinberger and Pete Dych picked Schmeling.

Woodson Jones was as far off in his guess as the other Schmeling adherents. "It's a toss-up," said Jones.

Miss Catherine McBurney, daughter of Dr. and Mrs. M. R. McBurney of 646 West Sierra Madre Blvd., will vacation at Catalina Island over the weekend and Independence Day.

**Taylor's Move Into  
Their Huge New  
Food Market**

A modern new, spic-and-span building at 3720 East Colorado St., corner of Colorado and Rosemead, Pasadena, is the new home of Taylor's big food market. After seven successful years at 3686 East Colorado St., the Taylor family, who own and operate the market, decided to enlarge their store to meet the demands of the trade. The new store has 7,000 feet of floor space and 8,000 square feet of free parking space.

James A. Taylor, manager of the store and head of the family, which consists of Mrs. Taylor and two sons, has been in the grocery business since he was 16 years old.

Taylor's have leased the bakery department to Van de Kamp's, and the fruit and vegetable market has also been leased, but the grocery and meat departments are in the hands of the Taylors.

The most modern refrigeration and equipment available has been secured for the new market, which is just west of Sierra Madre.

**'KENTUCKY MOONSHINE'  
AT ARCADIA THEATRE**

"Kentucky Moonshine," a hilarious comedy with Tony Martin and Marjorie Weaver, will be shown at the Arcadia Theatre today and Saturday, together with "Beloved Brat," with Bonita Granville. Beginning Sunday and continuing through Tuesday, "Sky Devils," with Spencer Tracy and Ann Dvorak; also "Gun Law," with George O'Brien, are the Arcadia attractions.

**Bullfights To Lure  
Southerners  
To Tijuana**

Tijuana has a new attraction that will lure thousands of Southern Californians hunting something new and exciting over the Independence Day holiday. Its gambling casino expropriated by the Mexican government and its race track closed, a huge stadium with an enormous bull ring will be opened Sunday.

Leo Carillo and more than a hundred other Hollywood luminaries will blaze the trail to the new arena where Carillo will act as master of ceremonies at a fiesta and sports cavalcade to be held Sunday and Monday.

Bull fights will headline the program each day, with the three greatest bull fighters in all Latin America, Fermin "Armillita" Espinosa, Alberto Baldaras and Chuchio Solorzano taking part in the spectacle.

The stadium has a seating capacity of 20,000 and is built in a perfect circle.

**A. L. A. Activities**

POST members and their families were entertained royally at the joint meeting last Thursday in the Dug-Out, at which Commander Sam Graham and President Florence Jensen presided.

Comrade Jack Mitchell was very gallant in his acknowledgment of the gift from the unit last year when he was in San Fernando Hospital and told how very welcome visiting friends are when one is taking treatment and lonesome for home. Mrs. Mitchell was present with her usual charming smile.

A program consisting of talks on France, its customs and French methods of reducing were given by the men who served in France. According to William Schwartz it rained 25 days out of every month while he was there. Augusta Coats told of the Apache, following which Nancy Welch and Harry Lovejoy gave their interpretation of the Apache dance. Grace Jensen gave a dance number also.

Lloyd Welch was awarded the lovely cake baked by Katherine Miller. Collin Hill was awarded the lamp.

The 1936-37 Unit presidents of the 18th district held a picnic in San Dimas Park Wednesday which Edna Heartt and H. Lovejoy attended.

All members are urged to attend the next unit meeting—July 14—and assist in nominating officers for next year.

—Helen Lovejoy.

Pasadena To Pay  
Its Usual 4 Per Cent**

Today, July 1st, a semi-annual dividend at the rate of 4% per annum is being paid to investors in the First Federal Savings and Loan Association of Pasadena at 348 East Green street, according to H. C. Nickerson, vice-president. In making the announcement, Mr. Nickerson said:

"This considerable amount of earned money, distributed to investors throughout the community, plays a distinct part in the program of recovery. The Board of Directors is glad to announce that while this dividend is declared, a ratio of reserves and undivided profits is maintained much higher than required by law."

"The policy of this association of building up undivided profits and reserves provides safety for our investors' funds. In addition, all investments in this association are guaranteed up to \$5000 for each account, by the Federal Savings and Loan Insurance Corporation of Washington, D.C., a permanent instrumentality of the United States Government."

## Baker Acquitted On Morals Charge; Is Held For Gas Theft

Robert Bryant Baker, Sierra Madre youth charged with contributing to the delinquency of a minor, was acquitted in department 44 of the Superior court in Los Angeles Tuesday shortly after the jury left Judge Crum's court room. In a previous trial the jury disagreed. He was represented at both trials by Attorney Marcus A. Woodward of this city.

Baker was found guilty of theft of gasoline from a city tractor in Judge Russell Morton's Pasadena justice court, where it was testified he was asleep in the automobile near the city pumping plant when another youth siphoned gas from the tractor's tank. Seventy-five days of a 90-day jail sentence were suspended. An appeal was taken from the conviction.

## Poor Hitting Loses For Merchants

### Local Ball Team Drops First Valley League Game To South Pasadenaans

Sierra Madre's Merchants baseball team dropped its first game of the year to the Wallace team of South Pasadena on the school athletic field Tuesday evening by a score of 10 to 4.

South Pasadena's hurler was a good deal of an enigma to the locals who managed to connect safely only four times. But Brain got two of these safeties. R. LaLone and Burt were the only other Merchants credited with hits, while the South Pasadenaans touched Ed LaLone up for 10 safeties, all but one of the visitors hitting safely. The score follows:

## Amend Zoning Plan To Extend City's Business Area

Continued from Page One

Club, renewed their objections.

But objections to restriction of the downtown business area were not the only ones heard. Under the impression that all of his property in Sturtevant Drive in Canyon Park had always been zoned for business, Fire Chief W. D. Richards demanded to know why it was proposed to change the classification from business to single residence zone. Investigation of the old zoning map, however, showed that part of his holdings had been included in the single residence area. Steve Peterson protested the zoning of any part of his property on Woodland Road between Sturtevant Drive and the swimming pool as residential, contending it should be classified for business purposes.

Mrs. Martha Rust objected to the plan to divide the property at Auburn avenue and Olive street between multiple dwelling and single residence classifications. On account of the character of many of the buildings in the neighborhood, there being as many as four or five houses or shacks now on a single lot, she said, it would be impossible to sell any of the lots owned by her for single family residences. The property should be classified so that a bungalow court or apartments could be built, she said.

No action was taken on these objections at the executive session of the planning commission following the hearing, excepting those affecting West Sierra Madre Boulevard classification. The objects will undoubtedly carry their objections to the Council meeting on July 12 when the Council will either adopt the planning commission's master plan as now twice amended or send it back to the Commission as it did at its last meeting. The Council is without authority to make amendments on its own account. The plan itself must be the creature of the planners.

Kenneth Sampson, planning expert of the Los Angeles county regional planning commission, was asked to find a solution for a rather perplexing situation with respect to eight or ten small lots extending from West Algeria avenue to Olive between Auburn and Baldwin avenues.

The lots in question have a frontage of 60 feet on both Olive and Algeria and extend 150 feet through the block. The planning commission wants to devise a plan that will require all the houses built in this block to face in one direction so that the back yard of one house will not be beside the front yard of the adjoining house. One fine home in the block faces to the north and members of the Commission seemed of the opinion that all others to be constructed hereafter should face in the same direction and with a corresponding set back line.

The planning commission will meet again Monday evening, July 11.

## FINE FILMS COMING TO WASHINGTON THEATRE

A Shirley Temple picture, "Rebecca of Sunnybrook Farm," comes to the Washington Theatre, Washington and Lake, Pasadena, today and Saturday, together with Lewis Stone and Micky Rooney in "Judge Hardy's Children." Sunday, Monday and Tuesday, with a continuous performance from 2 p. m. on the Fourth, will bring Irene Dunne and Douglas Fairbanks, Jr., in "Joy of Living." Mr. Moto's "Gamble," with Peter Lorre, will also be shown.

Miss Lucy L. Spalding, 2148 Spalding Street, Altadena, was awarded, Thursday night, the 7-day vacation trip to Stillwell's resort at Big Bear Lake. The Washington will award one such vacation each Thursday.

## NEIGHBORLY COMMUNITY SOUGHT

Continued from Page One

The advisability of special sales features preceding the Christmas holidays were also suggested.

Thomas Meader of the Chamber of Commerce transportation committee told of the improvement in P. E. passenger service through introduction of a new type of car to and from Los Angeles during the rush hours.

Councilman Paul Carter assured his hearers that at all times the welfare of the community was behind any action taken by the city council. John S. Billheimer stressed the importance of good fellowship and cooperation in the community.

Charles Kinnear, secretary of the Chamber, quoted figures to show the work his organization has done in advertising the merits of Sierra Madre.

R. C. Lewis, president of the Chamber of Commerce, presided. Members of the committee in charge of the meeting were Messrs. Billheimer, Hull, Burr, Kinnear, P. R. Penn and Rudolph Hartman.

## St. Rita's And V F W's Win Openers

### Two Kiwanis Boys League Ball Teams Show Improvement Over Last Year

Opening of the Kiwanis boys' league baseball season last Thursday night saw the champions of last year, St. Rita's, come back in the form in which they closed the 1937 season, and the new Veterans of Foreign Wars club, composed mostly of the old Boy Scouts team, showing surprising offensive strength.

St. Rita's defeated the Legion 10 to 5 while the Veterans slugged out a 10 to 4 victory over the Congos.

The Legion team showed much more strength in its opening contest with St. Rita's than at any time last year. Neither team made more than 4 hits, while the Legion was guilty of 3 errors.

Allan Woods' home run with the bases filled was a feature of the Congo-VFW game. It was the longest hit made at any game since the boys' league was organized. Thompson of the Congos knocked out a home run and a two bagger in three times up. The "Veterans" scored 10 runs in the sixth inning. It was in this frame that Woods hit for the circuit. The score:

## Solury Pitches One Hit Game To Beat Legion 16 To 1

St. Rita's and the V. F. W.'s were victors in Wednesday evening's boys' league ball games at the school field, St. Rita's defeating the Congos 11 to 5 and the V. F. W.'s smothering the Legion 16 to 1.

Tom Solury, flinging for the Vets, allowed the Legion only two bases on balls, pitching a one-hit game. Jim O'Grady, Legion first baseman, got the solitary bingle and scored the lone run for his team. Solury's performance was the only one of its kind in the league's history. Dyche, pitching for the Legion, was given ragged support, his colleagues piling up nine errors. Kiggins pitched St. Rita's to its second victory in the march toward another championship, allowing but three hits.

Dr. Walter Scott Franklin of Goleta, Santa Barbara county, candidate for the Republican nomination for lieutenant-governor, was a visitor in Sierra Madre yesterday, stopping here to meet old friends on his way from Glendora, where he addressed a meeting to Pasadena, where he attended a reception given in his honor.

## LATEST NEWCOMERS GIVEN WELCOME

Latest newcomers to Sierra Madre are Ed Dee, 81 East Laurel avenue; Mrs. C. T. Rike, 62 East Highland avenue; J. B. Price, 365 West Sierra Madre Blvd.; James C. Heasley Jr., 475 Sturtevant Drive; Mrs. Susan Walgren, 196 Santa Anita Court.

## BROWN MAKES BOMBS AT THE PLAYHOUSE

Gilmore Brown's appearance as Undershaft, maker of bombs and father of a Salvation Army major, in the Pasadena Community Playhouse staging of Shaw's "Major Barbara," July 4-9, brings to veteran theatregoers' minds the memory that the Playhouse leader enacted the same role in 1926.

On the current Festival list but one other Shavian play, "Arms and the Man," which closes its run Saturday night, appears on previous lists. Pasadena produced it in 1922 for nine showings.

## NEW AGENCY COMES TO HARTMAN'S STORE

The Standard Homeopathic Company of Los Angeles, founded in 1903, has just appointed Hartman's Pharmacy at 25 North Baldwin, as their agent in Sierra Madre. In an advertisement in this issue a free offer is made in which many will be interested.

## Protege Of Priest Tries To Jump Off Colorado Bridge

Charged with attempting to commit suicide by jumping from the Colorado street bridge, Joseph Renter, protege of Rev. P. J. Weber, retired priest of 93 North Sunnyside avenue, was held on Saturday by Pasadena police, and later returned to Sierra Madre, where, as a safety measure, he was taken to the local jail and released to Father Weber Sunday morning.

Col. and Mrs. H. B. Hersey with son Gale Hersey and Ray Stilson will motor this weekend to Sequoia National Park where they will spend several days before taking Gale Hersey and Mr. Stilson to the Monterey Presidio CMT. Col. and Mrs. Hersey will return home by the coast route.

## You Can Not Afford to Be Ill NOW!

If you can't AFFORD to be ill, the reason is perhaps that you have failed to save regularly.

No one wants to be sick, but most of us are at one time or another. And those who have accumulated a cash reserve are prepared for the heavy expenses, and the loss of income.

YOU can easily provide for such emergencies by depositing a regular amount each week at this bank.

If you have a savings account elsewhere, now is the time to transfer the account to your own bank in Sierra Madre.

New Interest Period begins July 1st.

(Inflammable)

Magis Mist is a perfumed in-  
secticide which will kill any in-  
sect with which it comes in  
contact — either directly or  
through the mist. It will kill  
all the flies in the house while  
you are looking for your swat-  
ter. A perfect moth destroyer.  
Will not stain or damage your  
furniture nor daintiest silk.  
Not harmful to man or beast.

poultry. Black Widow spiders,  
termites, and sheep ticks let  
loose and fall off. Magic Mist  
is a glass cleaner, too.
